Vessel Manager Technical Superintendent

Werkzaamheden

Do you have a strong maritime background combined with excellent leadership skills? Ready for your next challenge managing cutting-edge geotechnical vessels? Our client, a global leader in offshore projects, is looking for a Vessel Manager to take responsibility for one or more of their advanced geotechnical vessels.

Your role

As Vessel Manager, you are fully responsible for the management of the vessel(s), including crew, technical operations, and compliance with all safety, flag state, and class requirements. You work closely with both onshore and offshore teams, ensuring the vessel operates reliably, efficiently, and safely.

You also play a key role in budget planning and will be part of the Emergency Response Team.

What you'll do

- Oversee the performance, safety, and availability of one or more geotechnical vessels;
- Lead the vessel management team and collaborate closely with the crewing department;
- Ensure compliance with all relevant maritime regulations, class, and flag state requirements;
- Take responsibility for budget preparation and reporting;
- Visit vessels and shipyards when necessary;
- Represent the company on all vessel-related matters.

Wat vragen we?

- Bachelor's degree in a maritime-related discipline;
- 3+ years maritime management experience (preferably with DP Dynamic Positioning vessels);
- Experience in offshore or geotechnical operations preferred as a vessel manager, (technical) superintendent, chief engineer, dpo etc background
- Excellent command of English, written and spoken;
- Willing to obtain BOSIET and HUET certificates;
- Motivated, independent, and proactive.

Wat bieden we?

- Permanent employment directly with our client from the first working day;
- Competitive salary and benefits;
- 29 holidays per year (plus the option to purchase 12 extra days);
- Modern pension scheme and collective health insurance;
- Career opportunities both nationally and internationally;
- Flexible working hours and work-from-home options.
